

ever passed on this. But please don't politicize it. I have been working on this too long.

I reserve the balance of my time.

Mr. RESCHENTHALER. Mr. Speaker, I yield myself the balance of my time as I have no further speakers at this time, and I am prepared to close.

I applaud Chairman MCGOVERN for his work on this piece of legislation. I applaud Senator RUBIO, of course, and my colleague, Mr. SMITH of New Jersey, for working on the legislation. And just to clarify, when I was talking about the watered-down version that the administration is trying to water down, I was talking about the Senate version of this bill. If I misspoke, I want to clarify the RECORD now. That is what I was speaking to.

But, again, I applaud anybody who is working on holding the Chinese Communist Party accountable for the atrocities they are committing on the Uyghurs. Let me be clear about something: House Republicans will continue to stand against all forms of hate and Islamophobia. We will continue to stand with Uyghurs in China and with all people experiencing religious persecution.

Unfortunately, H.R. 5665, this piece of legislation, is a rushed bill. It presents serious First Amendment concerns. It will complicate existing efforts to protect human rights and religious freedom around the globe. It is also incredibly duplicative. We already have the Bureau of Democracy, Human Rights, and Labor. We already have the Office of International Religious Freedom. We already have the U.S. Commission on International Religious Freedom. We already have institutions and bodies that are focused on this.

For those reasons, I urge my colleagues to vote "no" on the previous question and "no" on the rule. I yield back the balance of my time.

Mr. MCGOVERN. Mr. Speaker, I yield myself the balance of my time.

Mr. Speaker, let me just say again that this really shouldn't be controversial at all, and I am sad that it is being politicized by some of my friends on the other side of the aisle. We have heard one objection after the next to this bill which condemns Islamophobia as if somehow condemning Islamophobia is some sort of a radical idea.

I never thought I would yearn for the Republicanism of George W. Bush. But maybe things have gotten so out of control in the Republican Party today that Members cannot even stand here and publicly defend a Muslim from bullying or worse. I pray that is not the case.

Some things are about more than petty partisanship and towing the party line. This should be one of them.

□ 1400

We have kids being bullied in school, hate crimes on the rise, mosques targeted for violence. That is just here in America. Around the world, Muslims

are being silenced from public discourse, forced into detention camps, or disappeared altogether.

We are a Nation founded on the right to freedom of religion and freedom of worship. It is a fundamental part of being the United States of America. We must stand up and say that this is not right, the rise in Islamophobia that we see globally.

I want to recognize the leadership of Congresswoman OMAR, Congresswoman SCHAKOWSKY, and Chairman MEEKS. They understand that this is the right thing to do. It is the American thing to do. They have worked tirelessly to get this bill to the House floor.

Now, we must get this bill over the finish line and on to the Senate because even today, even in this highly partisan era, the United States must and can still stand for human rights at home and abroad.

Mr. Speaker, I urge all of my colleagues to vote "yes" on this rule and the underlying legislation.

The material previously referred to by Mr. RESCHENTHALER is as follows:

AMENDMENT TO HOUSE RESOLUTION 849

At the end of the resolution, add the following:

SEC. 2. Immediately upon adoption of this resolution, the House shall proceed to the consideration in the House of the bill (H.R. 6235) to provide for the development of a plan to increase oil and gas production under oil and gas leases of Federal lands under the jurisdiction of the Secretary of Agriculture, the Secretary of Energy, the Secretary of the Interior, and the Secretary of Defense in conjunction with a drawdown of petroleum reserves from the Strategic Petroleum Reserve. All points of order against consideration of the bill are waived. The bill shall be considered as read. All points of order against provisions in the bill are waived. The previous question shall be considered as ordered on the bill and on any amendment thereto to final passage without intervening motion except: (1) one hour of debate equally divided and controlled by the chair and ranking minority member of the Committee on Energy and Commerce; and (2) one motion to recommit.

SEC. 3. Clause 1(c) of rule XIX shall not apply to the consideration of H.R. 6235.

Mr. MCGOVERN. Mr. Speaker, I yield back the balance of my time, and I move the previous question on the resolution.

The SPEAKER pro tempore (Mr. JOHNSON of Georgia). The question is on ordering the previous question.

The question was taken; and the Speaker pro tempore announced that the ayes appeared to have it.
